

SOUTHERN GOLDEN RETRIEVER SOCIETY

MEMBERSHIP APPLICATION

THE SOCIETY

The Southern Golden Retriever Society was founded in 1977 and covers the area of Kent, Surrey, West Sussex, East Sussex, Hampshire and London south of the River Thames. It is one of 13 clubs dedicated to the safeguard and perpetuation of the Breed. The Society Strives always to achieve the ideal of a true dual purpose dog.

The Society exists for the benefit of its Members and the Committee provides a full range of regular functions and other activities to promote the training, showing, breeding and other activities pertaining to Golden Retrievers as well as encouraging good health management for the breed.

The natural instinct of our lovely breed is to retrieve game in the shooting field and this instinct is encouraged by participation in the Society's working tests and field trials.

The Society also encourages members to participate in other disciplines by providing ring-craft, obedience and agility training, shows and educational events.

Membership is open to Golden Retriever enthusiasts wherever they live and is renewable annually in January. Advice on problems or anything related to Golden Retrievers is freely available to all members at all times.

The Society runs a Puppy List for the benefit of members that breed puppies and who agree to abide by the Kennel Club's Code of Conduct and the Society's Code of Breeding Ethics which states that members must only breed from parents who have current eye certificates, hip certificates and preferably elbow certificates. The Society also holds a Stud Dog list of dogs available at stud. For further information on these, contact the Puppy/Stud Dog Co-ordinator.

Additionally, as a member you will receive periodic newsletters and other information detailing Society business and events.
