SHARON APPS

I was a Registered Manager (City & Guilds adult care & NVQ 4) for 25 years, now retired.

I am married to Phillip have two adult children and four grandchildren.

As a young child/adult our family had Golden Retrievers. We had 6 Goldens over a period of 25 years and had two litter's.

During my married life we have had various breeds of dogs, Northern Inuit, German Shepherd, Great Dane. We have a lovely Labradoodle now and a beautiful Golden, Ena. My husband surprised me with the puppy (Ena) in 2020. Since then I have taken her training at Sue Ashley's where we were about to take our Gold test in October when lots of unforeseen circumstances occurred which put pay to that. I will be returning to Sue's as soon as classes start again.

I have in the past year completed various Statutory and Mandatory training ready to help out in the covid vaccination centres if required.

I have a NHS Enhanced DBS:
Data Security Awareness
Fire Safety
Infection Control
Moving and Handling
Safe Guarding adults and children

Emergency First Aid at Work, SGRS (October 2021)

I am not an expert on the Golden Retriever breed but do have a strong love for the breed. I have good organisational skills and willing to help as part of the team.
