

## Southern Golden Retriever Championship Show 3rd March 2019.

I would firstly like to thank the hard working committee of SGRS for inviting me to judge at this their 40th Anniversary Championship Show and for putting on a well organised show which had a very friendly atmosphere. I would also like to thank my two stewards who made my job so much easier by their very efficient approach and happy disposition - keepings things moving along speedily. A huge thank you to all the exhibitors it was a real privilege to go over so many quality bitches. I was spoiled for choice in many classes with hair splitting decisions to be made. It certainly bodes well for the future of the breed.
